- Fill out dye test application/no lien letter (available online, in office or by mail).
- All dye tests/no lien letter are processed in the order they are received and this is relayed to all applicants.
- Once application is received along with the full payment the file is pulled and entered in the excel file and completed within 21 business days upon the dye test passing.
- Then the office gives the plant personnel the appropriate paperwork to schedule an appointment with the contact person on the application.
- The gentlemen meet at appointment time at the property, if the dye test passes the information is then brought back to the office for processing, if the dye test fails the plant personnel advise the reason of failure and once repairs are complete the contact person calls the plant personnel for reinspection and then it is brought back to the office for processing.
- Once the dye test/no lien application is received back at the office the date received back is entered into excel file and all paperwork is processed and sent to whoever applied by via mail or email.
- In the event there are emergencies these take precedence, once emergencies are managed the dye tests will then be scheduled as soon as possible.
- No dye tests are performed on Tuesdays due to lab testing day which takes precedence for DEP reporting.
- Please take all of this into consideration when scheduling your property closing.
